Grammar Easy Grammar: Grade 4 Student Workbook	9780936981475	\$16.95	ISHA Enterprises	Rainbow Resource, Mardel, and Amazon
Penmanship Recommend <i>A Reason For Handwriting</i> by Memoria Press or <i>Cursive Handwriting</i> by Handwriting Without Tears	We highly encourage parents to teach their children to write in cursive. We strongly feel that it is very important as it engages regions of the brain involved in critical thinking. Connections are made building neural pathways increasing mental effectiveness. It also prepares them to read manuscript of historical documents.
