

# CrossPointe Preparatory

## Art Class Supply List

### Grades 7-12

Students enrolled in 7th-12th grade Art classes should bring the following supplies to school on the first day of classes.

## Required Supplies

- **Mixed Media Sketchbook** – Size 9x12 – Brand is irrelevant, but please choose one with Mixed Media 90lb or higher paper. Spiral bound is preferred so the pages stay together.
- **Graphite Sketching Pencil Set** – This set should include 6-8 pencils with varying hardnesses labeled as HB, 2B, 6B or HB, 2B, 4B, etc.
- **Erasers** – White or Kneaded eraser, any good quality erasers will work.
- **Pencil Sharpener**
- **24 Count (or larger) Colored Pencil Set** – Prismacolor Premier is a preferred brand but you will pay for quality. Prismacolor Scholor, Crayola Signature Blend, Sargent and Castle are also great options. I DO NOT recommend CraZart or RoseArt.
- **12 qt. Plastic Tub with Lid** – Such as Sterilite 12qt. 16 7/8 x 11.5 x 5 7/8 - Please purchase this size if possible as the uniform size makes classroom storage easier.
- **Black Sharpies** – Students will need 4 Fine-Point and 4 Ultra Fine-Point Sharpie Markers.
- **16-Color Crayola Watercolor Set** – There are many expensive watercolor sets but a lot can be done with a Crayola set! If you wish to purchase a more expensive set, please purchase PAN/CAKE watercolors. Do NOT purchase tube or liquid watercolors.

## Optional Supplies

CrossPointe will provide all paper, brushes and other necessary supplies but these are shared supplies across many grade levels. Some students in the upper-grade levels prefer to have their own supplies. The following are recommended, not required, and will be available in the classroom should you choose not to purchase them.

- **Paint Brushes** – A variety of acrylic and watercolor paintbrushes in various sizes. Royal & Langnickle is a good, inexpensive brand.
- **Alcohol Markers** - Dual tip alcohol markers similar to these:
