Please verify the book title and edition when ordering by the ISBN.

When purchasing books, school supplies, uniforms, ect.. using EFA funds for more than one child, we strongly recommend completing a separate transaction for each student.

Making individual purchases for each child allows you to upload receipts separately to the correct ClassWallet account. This helps ensure that expenses are accurately assigned to the appropriate student and can prevent delays or issues during the reimbursement and approval process.

When Ordering BJU Materials:

We encourage parents to order BJU materials using the links included on the book list to take advantage of the 15% discount that has been negotiated for University Model Schools. (The discount code is on the book list beside each link.) Each link will place that book into your cart. As you click on other links, the subsequent books will be added to your shopping cart so that you can check out one time. However, you will want to order each child's books separately for ease of reimbursement from EFA. There is also an online teacher edition of math books available to parents for about \$10 before the discount. If you do not see one listed on the book list, feel free to reach out to Rachel Grady for a link. rgrady@crosspointeprep.org PLEASE do not give your student access to these books. This is strictly for parent use to be able to help your students.
